SHREVEPORT-BOSSIER CITY

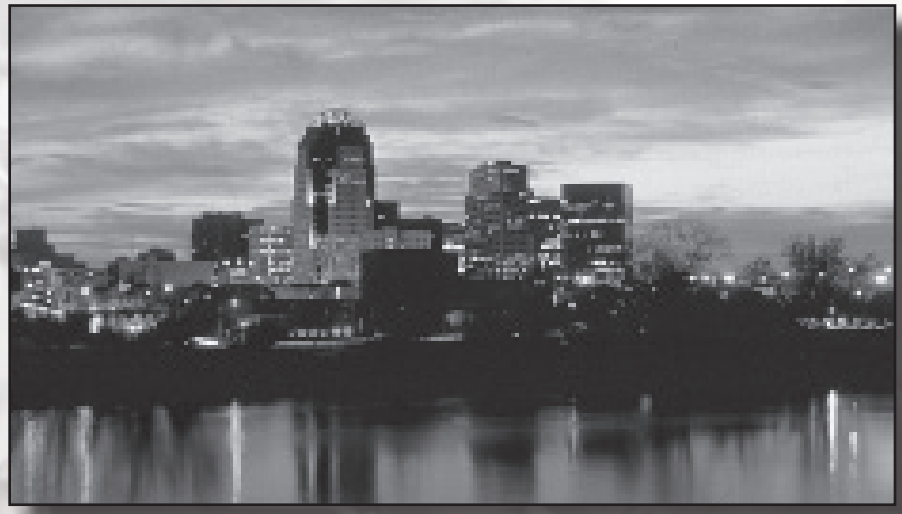
That's right, there's a side of Louisiana that you may not be familiar with… one that you have to experience to fully understand. The northwest part of the state, in and around Shreveport-Bossier City, is a little different than the rest of Louisiana. It's a mixture of the wide-open Texas spirit and the spicy Cajun attitude. Where cowboy meets Creole. Where spicy Louisiana crawfish meet big Texas t-bone steaks.

Our unique blend of cultures has a tendency to sneak up and surprise you. You come here expecting to explore our vast musical heritage, but it's not just jazz, it's country, bluegrass and folk music too. You expect the bright lights and fast action of the casinos, but excellent shopping and family entertainment is all around. If you're looking for a getaway that's full of variety and offers a taste for life, you've come to the right place.

Louisiana's other side is a term we use to describe our location in the state and our unique combination of Louisiana Cajun culture and East Texas cowboy heritage. On the surface there are a lot of obvious reasons people are drawn to northwest Louisiana. From the glittering excitement of the casinos, the wonderful array of festivals, the mouth -watering local cuisine, fantastic shopping and numerous outdoor activities, to the museums and attractions – this area has all the necessary ingredients for a memorable getaway. That's what makes northwest Louisiana a hot destination. But that's not all there is to "Louisiana's Other Side."

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area.

Shreveport is considered the geographical, cultural, and economic center of the region know as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and



Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Independence Bowl, held in late December. The annual football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.

THE SUMMIT LEAGUE

South Dakota State became the first Summit League soccer team to record a victory in the NCAA Women's College Cup with its first round win over 13th-ranked and fourth-seeded Colorado in 2008.

Now in its 28th year as an NCAA Division I athletics conference, The Summit League continues its renaissance and ascent both on the playing field and in the classroom. The 2008-09 academic year saw the league reach numerous milestones among its 10 member institutions and 19 championship sports.

The Summit League made history during its 2009 Basketball Championships with record crowds and sponsorship totals in its first season in Sioux Falls, S.D. New attendance standards were established for the entire tournament, the women's tournament and several individual sessions. On the court, the North Dakota State men and South Dakota State women both achieved the rare feat of earning an automatic NCAA bid in their first season of eligibility.

Netting the NCAA's largest men's basketball attendance increase during the 2008-09 season further illustrated the growth and excitement surrounding Summit League basketball. The league ranked 16th nationally, up six spots over the previous year, and increased its crowds at a rate of 30 percent per game.

While basketball played a major part of the league's success, significant Summit League achievements spanned beyond the hardwood.

An unprecedented total of three Summit League teams ended their 2008-09 seasons with a national ranking. North Dakota State's softball team ended the year ranked No. 18 in the ESPN.com/USA Softball poll after capturing the league's first NCAA Regional title in a decade and becoming the first Summit League team to reach the Super Regional round. South Dakota State's women's basketball team earned a No. 19 ranking in the final *USA Today*/ESPN Coaches' poll after peaking at No. 14 during the season and posting a first-round victory in the NCAA Tournament. The Oakland men's soccer team finished at No. 30 in the College Soccer News poll after reaching the No. 24 position earlier in the season and becoming The Summit League's first top-25 soccer squad.

The NDSU softball and SDSU women's basketball teams were just part of The Summit League's postseason success that saw a combined seven NCAA Tournament wins. SDSU notched the league's first NCAA women's soccer tournament victory with a first-round win. Oral Roberts claimed a pair of baseball victories in the Tempe Regional to finish as runner-up. The Summit League sent two teams to the NCAA Men's Soccer Tournament for the first time since 2003, and the third time in history. Additionally, Oakland's men's basketball team hosted and won its first round game in the inaugural CollegeInsider.com Postseason Tournament.

Individually, North Dakota State's Laura Hermanson recorded the league's best women's track and field finish with a runner-up performance in the 800 meters at the NCAA Outdoor Championships. Also in June, Western Illinois' golfer Kyle Peterman won a qualifying playoff to earn an amateur spot in the 2009 U.S. Open. During the basketball season, Oakland's Johnathon Jones was the NCAA assists leader and became the fourth player in league history, and first in 10 years, to lead the nation in a major statistical category.

In the classroom, a Summit League record 13 student-athletes were recognized as Academic All-Americans, including North Dakota State basketball player Brett Winkelman, who was selected as the University Division Academic All-American of the Year. Oakland basketball player Jessica Pike also garnered a top academic honor for her sport and was named the Division I-AAA Athletics Directors Association Scholar-Athlete of the Year.

Six Summit League teams were bestowed with the NCAA Public Recognition Award, an honor given to teams that have a Division I Academic Progress Rate (APR) in the top 10 percent of all squads in their respective sports. Receiving the accolade was IPFW's men's cross country and volleyball teams, UMKC's volleyball and women's tennis teams, Oakland's women's golf team and South Dakota State's men's golf team.

The achievements during the 2008-09 academic year carried over from the summer when a pair of former Summit League student-athletes gained individual acclaim on the world stage. Former Oral Roberts student-athlete Andretti Bain won a silver medal at the 2008 Beijing Olympics as a member of the Bahamas' 4x400-meter relay team after having claimed both the NCAA Indoor and Outdoor 400-meter titles earlier in the year. Former IUPUI standout George Hill became The Summit League's second NBA first round draft pick when he was selected 26th by the San Antonio Spurs after garnering Summit League Player of the Year honors.

Originally formed in 1982 as the Association of Mid-Continent Universities and later known as the Mid-Continent Conference, The Summit League is in its third year of a rebranding that followed its 25th anniversary and coincided with the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all league student-athletes. Included in the plan was the league's new name, the creation of a new image and the addition of three member institutions.

CENTENARY ATHLETICS

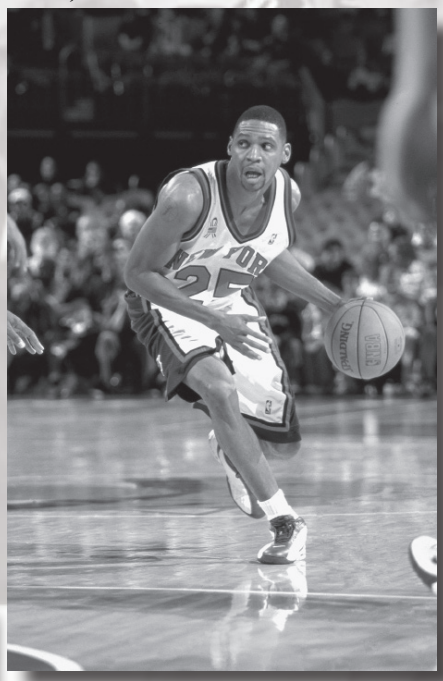
Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 44 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

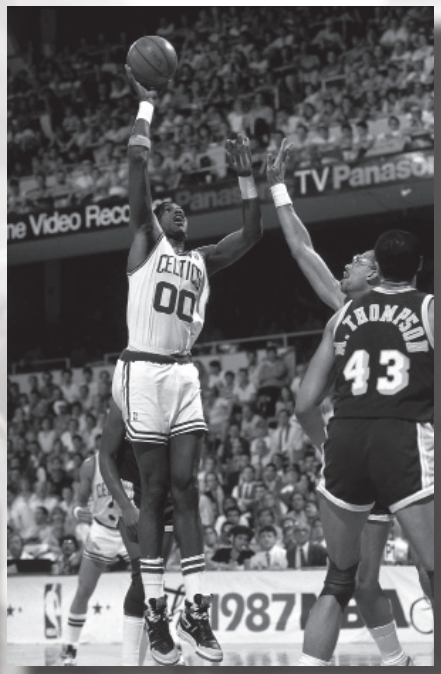
From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In April 2003 Parish was chosen to be inducted in the National Basketball Hall of Fame.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, LSU and Arkansas.



In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.



With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, the women's soccer team has qualified for The Summit League Tournament several times since the Ladies and Gents joined the conference in 2003. Three times a Centenary student-athlete has been named The Summit League Scholar Athlete of the Year with tennis player Anja Schmidt earning the honor in 2003-04 and 2004-05, while baseball's Brandon Fulenchek earned the distinction in 2006-07. Centenary was also named The Summit League's Sportsmanship School of the Year twice.

SOCCER FACILITIES

For most teams, success on the field is the result of hard work and preparation. At Centenary, the formula is no different as not only do we receive great efforts from our athletes, but from coaches, administration, and alumni as well. As a result, both the Gents and Ladies soccer programs enjoy fine facilities in which to train and compete.

Mayo Field has served as the home site for all Centenary soccer contests since the inception of the men's program in 1974. Originally referred to as the Centenary Soccer Complex, the field was renamed in 2001 in honor of Lewis Mayo. Mayo, the father of former Gents player and coach Eric Mayo, lost his life heroically fighting a fire while serving the Houston, Texas, area as a member of the fire department.

His family graciously donated the funds that allowed Centenary to erect a quality lighting system. The first-ever night soccer game at Centenary was played on August 31, 2001, against Georgia Southern University. A memorial to Lewis Mayo stands at the entryway to the field named in his honor.

Various other upgrades and additions have been made to Mayo Field over the past several years. New stands for seating were installed in 2000 that now allows for a crowd of 500 to comfortably cheer on the Ladies and Gents. A physical plant building was transformed in 2000 to house a new locker room and three offices for the soccer coaches and staff.

In 2001, a new building for concessions and restrooms was added next to the playing field to provide a better overall experience for all fans that visit Mayo Field.

2002 brought on several upgrades to the field itself. The chain link fencing that surrounded the field was torn down and new black iron fencing was installed to enhance the overall look. The playing surface was improved with the addition of an underground drainage system that will allow the field to remain playable in adverse weather conditions. Most recently, netting was hung behind both goals to limit the amount of balls that leave the playing area.

In the past two seasons the goals have been upgraded to a European style, while the fencing around the field has changed. Gone is the rodiron fencing that lined the field, in 2008 a new fan friendly waist high fence will be installed in time for the home opener in August.

With contributions from generous alumni and friends of the college, the Centenary soccer program will look to continue to make a trip to Mayo Field an enjoyable experience for all of those involved.

Mayo Field Record Book

Overall Centenary Record on Mayo	87-42-9 (.685)
First Game	Sept. 12, 1992 (Centenary 2, West Florida 0)
First CC Win	Sept. 12, 1992 (Centenary 2, West Florida 0)
10th CC Win	Oct. 26, 1993 (Centenary 10, Millsaps 0)
25th CC Win	Sept. 6, 1996 (Centenary 3, Stephen F. Austin 1)
50th CC Win	Oct. 27, 1999 (Centenary 19, Louisiana College 0)
75th CC Win	Oct. 3, 2004 (Centenary 2, Arkansas-Little Rock 1)
Most Goals by CC	19 twice, Oct. 27, 1999 and Sept. 24, 2002
Largest Home Win	19 twice, Oct. 27, 1999 and Sept. 24, 2002

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary's faculty holds the highest degree in their discipline. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

PRESIDENT OF THE COLLEGE

DR. B. DAVID ROWE
President of the College

Dr. B. David Rowe was named President of Centenary College of Louisiana in August 2009. An ordained United Methodist minister, Dr. Rowe holds a Bachelor of Science degree in Chemistry from Southwestern University, a Master of Divinity degree from Emory University and a Certificate in Ecumenical Studies from the World Council of Churches and the University of Geneva. He earned his Ph.D. from Georgia State University where his research led to the dissertation entitled *Cultural Leadership and Peace: An Educational Response to Religious Violence.*

With sixteen years in higher education administration, and with extensive planning, fundraising, and institutional marketing experience, Dr. Rowe has served Wesleyan College, Oxford College of Emory University and the Candler School of Theology. His professional interests, which include organizational transformation and global sustainability, complement his research specialization in leadership development and social change. He is the co-founder of a non-profit organization, Oikos (oy'-kos), which focuses on systemic solutions for global sustainability.

EDUCATION

2007 Doctor of Philosophy, Educational Policy Studies, Concentration: Higher Education, Georgia State University, Atlanta, Ga.

1992 Master of Divinity *cum laude,* Emory University, Atlanta, Ga.

1991 Certificate in Ecumenical Studies, University of Geneva, Bossey, Switzerland

1987 Bachelor of Science, Chemistry, Southwestern University, Georgetown, Texas

PROFESSIONAL EXPERIENCE:

- January 2000- July 2009, Vice President for Advancement, LaGrange College, LaGrange, Ga.
- December 1998- October 1999, Vice President for Institutional Advancement, Wesleyan College, Macon, Ga.
- January 1998 – December 1998, Director of Advancement and Planning, Oxford College of Emory University, Oxford, Ga.
- September 1993 – December 1998, Director of Development, Oxford College of Emory University, Oxford, Ga.
- August 1992- August 1993, Associate Director of Admission, Candler School of Theology, Emory University, Atlanta, Ga.
- June 1987 - August 1988, Director of Senior High Ministry, Memorial Drive United Methodist Church, Houston, Texas
- September 1983 - June 1987 Director of Youth Ministry, Part-Time, First United Methodist Church, Round Rock, Texas

TEACHING

GRADUATE LEVEL

- Fall 2003, Higher Education Finance, Two-session Class Facilitator: Philanthropy and Higher Education Finance, Georgia State University
- 1991, Society, Personality and Ethics, Teaching Assistant, Candler School of Theology, Emory University
- 1989, History of Christian Thought, Teaching Assistant, Candler School of Theology, Emory University

UNDERGRADUATE LEVEL

- Fall 2007 and 2008, First Week Seminar Session for First Year Students, *Instruments of Peace: Religious Violence and the Prayer of St. Francis,* LaGrange College
- November 2005, Cornerstone, One-session lecture: Girardian Theory, LaGrange College
- Spring 2000, American Government, One-session lecture: Debate, LaGrange College
- Fall 1984, Inorganic Chemistry, Laboratory Assistant, Southwestern University

DR. TOM TALLACH
Director of Athletics

Dr. Tom Tallach has served as Centenary's Director of Athletics since Fall 2007.

Since his arrival, the Gents and Ladies have seen major changes to their surroundings. The Gold Dome has a new hardwood floor, new premium seating, a new public address system, and a new weight room. The tennis courts have been resurfaced and new screens and nets are being installed. The softball facility has new dugouts, a new backstop, and a new public address system.

These and numerous other improvements were made possible because of a dramatic increase in booster support. Tallach has high expectations for himself as well as for Centenary's student-athletes, coaches, and other staff.

Tallach re-joined the Centenary community after most recently serving as Assistant Athletic Director at Tarleton State University. At Tarleton, he organized and administered a comprehensive compliance program for the institution, taught graduate and undergraduate courses, and provided administrative leadership and training for many of the sports programs. He served on NCAA regional tournament committees in women's basketball and softball and delivered compliance presentations to regional and national audiences.

With the exception of a two-year period that included doctoral research, work in the family business, and basketball coaching at Ouachita Baptist University, Tallach spent twelve years at Texas A&M-Commerce.

He began as a graduate teaching assistant and assistant men's basketball coach for a struggling Lions team that would win the Lone Star Conference (LSC) Championship two years later.

He then served as Assistant Athletic Director and faculty member in the Department of Health, Kinesiology, and Sports Studies. With primary responsibility for event management, compliance, and athletic scholarship administration, he also served as the Athletic Director for UIL (Texas High School Federation) Region II, administering championship competition in volleyball, basketball, track & field, tennis, and golf. He was later named Interim Athletic Director at the University.

Under his leadership, the Lions claimed LSC Championships in men's basketball and women's soccer, three coaches were named LSC Coach of the Year, and one coach was named Texas Association of Basketball Coaches Coach of the Year. He served on two NCAA regional tournament committees in women's soccer in addition to serving as Director of the 2005 NCAA Men's Basketball Regional Tournament.

During his tenure in Commerce, he was involved in and/or responsible for numerous facility improvements, served on many institutional committees including SACS re-accreditation, chaired the LSC Compliance Committee, helped guide the Athletic Training Education Program to national certification, and always taught at least one academic course.

A former Gent pitcher (Class of 1993), Tallach was named to the Trans-America Athletic Conference (TAAC) All-Academic Team, graduated Magna Cum Laude, was President of the Student Athlete Advisory Committee, and received the Health & Exercise Science Award. The '92 and '93 Gents captured TAAC Western Division Titles under head coach Andy Watson.

Tallach resides in Shreveport with his wife Gabriela and son Grant.

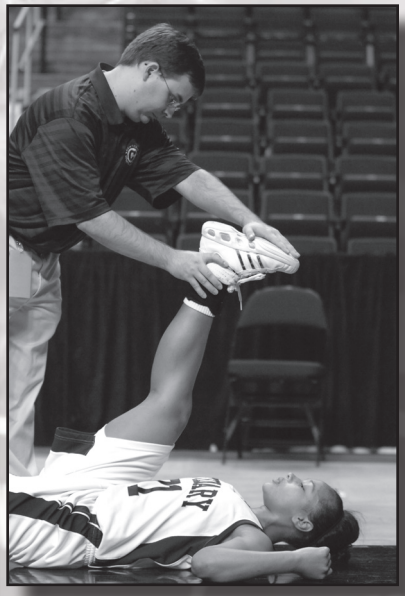
Head Athletic Trainer
Alan Edwards

Alan Edwards begins his 15th year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.



Athletic Trainer
Dustin Bradstreet

Dustin Bradstreet enters his seventh year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Mike Peck is in his fifth year with the Centenary athletics program after working extensively with many of the area schools and professional teams since 2001. He previously assisted with the athletic trainers at LSU-Shreveport and the Shreveport Sports independent baseball team while serving as the head athletic trainer for the Bossier-Shreveport BattleWings of the AF2. Peck earned both his Bachelor of Science in Physical Education with an emphasis in athletic training, and his Master of Science in Physical Education with an emphasis in Sports Administration from Fort Hays State. Prior to attending Fort Hays, Peck served in the United States Army and Army Reserve for 11 years.

Athletic Trainer
Mike Peck

Edwards, Bradstreet and Peck also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

ALLISON MCCLAIN
Sports Information Director

Allison McClain begins her first year as the Sports Information Director in the Centenary College athletic department. In this role, McClain will oversee all aspects of the department for each of Centenary's 16 sports.

McClain was a 2009 Magna Cum Laude graduate of Centenary with a Bachelor of Arts degree in Communication with an emphasis on Professional Writing.

She spent her last two years working as a Sports Information student assistant, serving as the contact for men's basketball and men's and women's golf her senior year. As an undergraduate, McClain assisted with all game-day media relations' efforts, published articles on the college's athletic website, as well as the producing the 2009 Ladies softball media guide.

Outside the classroom and SID office, McClain excelled on the softball field as a four-year member of the Ladies softball team. In her sophomore season, she earned All-Mid Con and All-LSWA Second Team utility player honors as well as being named an All-Mid Con and LSWA Player of the Week. Her accolades went beyond the field, as she was recognized as an NFCA Academic All-America Scholar Athlete and named to the Academic All-Conference team all four years.

She garnered the Outstanding Athletic Achievement award her senior year, served as a student justice on the Centenary College Honor Court, was a member of Omicron Delta Kappa National Leadership Honor Society and was named to the Dean's List numerous times.

Prior to rejoining the Centenary athletic department, McClain spent the 2009 summer working as a Media Relations intern with the Houston Astros Baseball Club. With the Astros, she served as an editorial assistant for the Astros Magazine, assisted with game-day press box duties, compiled daily clips, worked with TV stats, and recapped games for the Astros Minor League affiliates.

A native of Diboll, Texas, McClain graduated as the 2005 Diboll High School Valedictorian. She is the daughter of Jim and Judy McClain. Her younger brother, Wesley, is a senior at Diboll High School and has committed to play golf at the University of Houston.

CHASE WOOTEN
Head Coach

Chase Wooten enters his sixth season as the head coach for the Ladies. A 1998 graduate of Centenary, Wooten took his alma mater to the Mid-Continent Conference Tournament twice in his first two seasons.

The 2009 Ladies soccer team will have five seniors and four juniors. Wooten will also have his leading scorer back from a season ago, sophomore Katie Valdez, who hit pay dirt five times.

Wooten will welcome back his two goalkeepers, who combined to make 124 saves. The defense also had two shutouts, 2-0 win over Mississippi Valley State and a 1-0 victory over IPFW.

In 2008 Wooten had a veteran squad on his hands, as he welcomed back nine upperclassmen and 15 letterwinners. However, he lost his primary goal scorers from last season, Brittany O'Neal and Stefani Roobs. O'Neal and Robbs combined to score 10 goals and give three assists.

The 2007 edition of the Ladies had a ton of bad luck, as Mitzi Perkins missed the entire season because of illness, Katie Valdez played in just three games before a knee injury sidelined her and Lauren Stanley's season was cut short after just five matches.

A few of the bright spots during the season was freshman Catie Depew, who was named to The Summit League's All-Newcomer Team. Ali Hilsher, meanwhile, was named conference player of the week after shuting out two opponents and also captured LSWA honorable mention honors.

In the fall of 2006, the Ladies soccer team was bitten by the injury bug, and the team stumbled to a 4-11-1 mark. Centenary did have a bright spot in the season as Robbs was named to the Mid-Con's All-Newcomer team and led the squad with five goals. She was also named Mid-Con Offensive Player of the Week on Aug. 28 after scoring an overtime goal in the season opening win over Sam Houston State.

After taking the Ladies to the Mid-Con Tournament, the team fell to a 6-11-1 mark in 2005. Despite the down season, Bre Fletcher was named conference Offensive Player of the Week after knocking in the game winning goal at home against Texas State, while Ali Hilsher earned Defensive Player of the Week twice after shutting out Arkansas-Little Rock on the road and IUPUI.

In 2004, the team's 14-5-1 record was the fourth best in program history and the strongest ever for a first year head coach with the Ladies program. Wooten guided the Ladies to an undefeated record against Louisiana schools and a second place finish in the Mid-Con regular season.

Four of Wooten's players earned First Team All-Conference Honors, including the Newcomer of the Year, while he had two Ladies named LSWA All-Louisiana. Under his tutelage, former keeper Lindsey Stafford set back-to-back records for saves in a season at Centenary.

Prior to returning to Centenary, Wooten served as an assistant coach at the University of Alabama. In 2001, he helped the Crimson Tide accomplish the sixth biggest turnaround in the country. Their winning streak continued through his tenure at Alabama.

Before his stint with Alabama, Wooten served as the head coach at Caddo Magnet High School in Shreveport, where he earned Boys High School District Coach of the Year in both 1999 and 2001 while also earning the honor on the girls' side in 2001. He lead the Mustangs to district championships in 1999, 2000, and 2001. In 2001, he took the girl's team to the state championships where they finished as the state runner-up.

Wooten attended Lindsay Wilson College before joining the Gents in 1995. As a player at Centenary, he tended goal from 1995 to 1997 and currently owns the third lowest career goals against average in school history at 1.51.

He married the former Amber Baggett in May of 2002. The couple welcomed their first child Catherine Sydney in the spring of 2009.

Wooten's Career Record

	Overall	Conference
2004	14-5-1	4-2-1
2005	6-12-1	1-5-0
2006	4-11-1	0-5-1
2007	5-12-2	0-6-2
2008	3-14-1	1-7-0
Totals	32-54-6	6-25-4

GLENN EVANS
Assistant Coach

Coach Glenn Evans, the pioneer of Centenary's soccer program, stepped down 13 years ago as head coach of the Gents and Ladies soccer programs. He then focused his attention on serving as the assistant to then-coach Jed Jones for the Ladies soccer team, and now works with Wooten. He posted a 161-105-3 (.604) record in 14 seasons as the head coach of the Gents soccer program and a 66-25-3 (.725) record in five seasons as the Ladies head coach.

Evans guided the Gents program from its inception through 1978, before returning at the start of the 1983 campaign. During his tenure, the Gents posted nine consecutive winning seasons (1983-91), including three straight Trans America Athletic Conference Championships. For his and the team's efforts, he was named TAAC Coach of the Year in 1983, 1988, 1989, and 1990 as well as receiving that honor for his direction of the Ladies program in 1994.

The Herkimer, New York, native earned a B.S. in Health & Physical Education from Centenary in 1969. He received a master's degree in education from the University of Georgia in 1970. Evans recently retired as the Superintendant of Athletics for Shreveport Parks and Recreation and is entering his second year as Centenary's Director of Academic Support. Evans also served as Interim A.D. from Oct. 2006 through July 2007. Evans is also in charge of Centenary's concession stands and helps the sports information running the game clock during home basketball games. He and his wife, Karen, have four sons: Chad, Scott, Trey, and Brian.

#1 Kate Donnelly

Goal Keeper
5-11, Senior
Seabrook, Texas
(Clear Lake HS)

2008: Played in 14 games with eight starts ... Had first shutout of the season against IPFW (Oct. 31) ... Allowed just one goal in nine games ... Had a season-best 11 saves at Texas State (Sept. 21).

2007: Started one game against Mississippi Valley State (Oct. 18) ... First career shutout came against Mississippi Valley State ... Had a career-best five saves in that same match ... Allowed just one goal, which came against McNeese State (Sept. 21).

2006: Saw action in four matches between the pipes ... Made 13 saves in 18 chances and did not have a decsion.

High School: Graduated from Clear Lake HS ... Played both at goal and the forward positions ...Named honorable mention all-district in 2004 and second team all-district in 2005 and 2006 ... Held a record of 21-2-1.

Personal: Born July 9, 1988 ... Daughter of Joseph and Sheila Donnelly ... Has an older and younger brother ... Majoring in math education.
